Kent Freedom Pass For Medway

(http://democracy.medway.gov.uk/mgEPetitionDisplay.aspx?ID=28&RPID=9598147&HPID=9598147)

We the undersigned petition the council to JOIN THE KENT FREEDOM PASS SCHEME. We also petition the council to abolish the Half-Price Bus Pass Scheme.

We the undersigned also petition the council to JOIN THE KENT FREEDOM PASS SCHEME as soon as possible and to make it available to all children in education. This a much more effective, fairer and more affordable Scheme that benefits the majority of children, as opposed to the Half-Price Bus Pass Scheme, which only benefits a minority. The Kent Freedom Pass would offer children unrestricted access to the whole of Kent (Medway is the only Kent council that is not included in the Scheme). It would encourage children to become more independent because they would also be able to use the Pass evenings and weekends. Encouraging children to use buses instead of cars will result in: much healthier children, fewer cars on the roads (especially during the school run), cleaner air because of less pollution from car exhausts, and a healthier, cleaner, and safer environment for ALL citizens of Medway.
